From the allocation statements received it is seen that the number of hands remain the same as originally proposed, though some courts have been given a less number of hands and the other courts a larger number of hands: this increase and decrease in the number of hands for some courts may be due to the changes in territorial jurisdictions of these courts. The orders already approved does not require any change except a slight arithmetical error which the Chief Court had not noticed in calculation in their proposals this has been noted in the draft in pencil. under these circumstances. the draft may if approved be issued

First and Second Grade Magistrates may be absorbed in the cadre of Subordinate Judges and Munsiffs as the case may be, if they were recruited from the Bar; otherwise as Assistant Commissioners or Revenue Officers (Non-Civil Service). Special Magistrates Third Grade may be absorbed among Munsiffs. Financial Secretary will consider if a single time scale can be fixed or if two classes of Munsiffs should be created. 4. The question of paying batta to witnesses attending Magistrates' Courts will be dropped.

5. Location of Munsiffs' Courts at Closepet, Mandya and Hunsur is approved; and if accommodation is available at Tiptur, the location of a Munsiff's Court there may be considered. The location of a Court at Honnali is not necessary.

CB 69-27-1

Dear Sir,

With reference to one of the subjects discussed at the recent meeting of the Members of Government and the Judges of the Chief Court, viz., the re-organization of the ministerial establishment of the Judicial Department, I am desired to state that at the meeting it was agreed to by Government that the pay of the Sheristedars and the Head Clerk of the Chief Court may be fixed at Rs.125-10-175 instead of 120-6-150 as suggested in the Secretariat proposal. As regards the rest of the appointments, it was agreed that a scale might be forwarded for the consideration of Government by the Chief Judge in consultation with the Financial Secretary.

2. Accordingly, I am to submit herewith, for favour of consideration, an alternative scale drawn up in consultation with the Financial Secretary who has approved of the same.

3. I am to add that the cost of the re-organization proposals now sent up will be almost the same as that of the Secretariat proposal.

4. I am to request that the Government may be pleased to sanction the introduction of the proposal with effect from the 1st of October 1927.

Yours Sincerely,

CHIEF COURT OF MYSORE,

R. O. C. Dis. No...423/27-8 Two statements in duplicate.

From

A. Sreenivasaragavachari, Esq., B.A., B.L.,
Registrar, Chief Court of Mysore.

To

B. NAGAPPA, Esq., Bar-at-Law,
Secretary to Government,
Law Department,
Bangalore.

Sir,

I am directed to acknowledge the receipt of your letter Camp No.P.98/Cts., dated the 13th October 1927, returning the statement showing the allocation of the Ministerial and the process staff of Civil Courts, with the observation that so far as the new courts are concerned, the allocation involves departure in some cases, both in point of the number of clerks and the scale of pay, from the proposals contained in my letter R.O.C.No.991 of 26-27, dated the 13th June 1927 and requesting to forward for the sanction of Government, revised proposals on the basis of the allocation showing therein the financial effect of the new proposal.

2. In reply, I am to forward herewith statements showing the new allocation for each court and the financial effect thereof and to request that Government may be pleased to accord sanction thereto with effect from the 14th October 1927.

3. With regard to the observation that there is a departure in the allocation statement from the proposals made by the Chief Court on 13th June 1927, I am to state that the Chief Court has subsequently reconsidered the question and has fixed the number of hands and the pay of officials of the several courts, permanent and temporary.

C1

temporary, as shown in the accompanying statement, thereby reducing the extra cost by about Rs.400/- per annum. (c) In this connection kind reference is invited also to my D.O. letter No.R.O.C.991 of 26-27 dated the 15th September 1927, addressed to the Chief Secretary forwarding revised proposals regarding the scale of pay and the number of hands in each grade.

I am to add that without a further experience of the working of the new courts and of the changes in the territorial jurisdiction it will not be possible to accurately estimate the quantity of work in each court and that the allocation now proposed may be considered as tentative, and liable to be revised, if in the light of experience in working the arrangement, any alteration, in the number of hands in each court is called for. A separate reference will be made in regard to this, if found necessary, for obtaining sanction of Government, and without raising the total number of hands as now proposed or involving extra cost to Government.

I have the honour to be,
Sir,
Your most obedient servant,

Explanatory Memo.

Previous Reference.	Present reference.	Remarks.
No.C.991/26-27 dated 15-9-1927.	No.C.423/27-28 dated 22-10-1927.	Out of the 21 additional hands proposed by the Laws Delays Committee, 2 hands were intended for the Chief Court. In addition to these, 4 temporary hands were asked for consequent upon the appointment of the Fourth Judge, but only 2 hands were -- sanctioned. On account of Inspection work and general congestion of work in the Chief Court, 4 hands out of 21 additional hands sanctioned to the Subordinate Courts have been taken. -- When the present congestion is removed, some of these hands will be sent back to the Subordinate courts wherever they may be required. Although the 21 new hands are on 25-1-30, in reallocating 4 hands on 30-2-40 each are taken to the Chief Court and the corresponding number in the lower grade are given to Subordinate Courts.
(a)	Re: Inclusion of 4 additional hands on 30-2-40 each for the Chief Court.	

(b)

(b) Annual Extra Cost. Rs. 25893.

Present extra cost Rs.25863. Difference Rs.30/- less.

(c) Savings of about Rs.400/- per annum referred to in the covering letter No.ROC.423 of 27-28 dated 22-10-1927 forwarding the new allocation statements.

Out of 21 Court Nazirs, 1 is on Rs.40/- and the remaining 20 were taken to be on 30-1-35 while sending proposals with this office No. ROC.991/26-27 dated 15-9-27. But on further scrutiny it was found that the court Nazirs of 2 courts viz., at Davangere and Kolar are on a fixed pay of Rs.35/- each. The total present cost had been shown less by 2½ Rs.(35 - 33½ is 1½ x 2 is 2½). It is now correctly given showing the extra cost less by Rs.2½ per month or Rs.30/- per annum.

In this office No.991/26-27 dated 13-6-27, proposals were sent for 3 hands on (40),(35) and (30) for the additional Subordinate Judge's court at Mysore. Again for the additional Sub Judge's Court at Bangalore now located at Shimoga, 2 hands on (40) and (35) had been proposed. On further consideration as already observed in the letter, the number of hands for these courts were fixed as follows:-

Sub Judge's Court, Mysore ---- 2 hands (40), and (35)
-do- Shimoga ---- 2 hands (40), and (30)

thereby showing a savings of Rs.35/- a month or Rs.420/- per annum.
